

REMARKS

Claims 1 and 3-35 are now pending in the application, with claims 1, 21, 32, 33 and 35 being the independent claims. Reconsideration and further examination are respectfully requested.

Applicants' attorney thanks the Examiner for several telephone calls over the last several weeks. During those telephone calls, the Examiner and Applicants' attorney discussed certain changes to the claim language. At the Examiner's request, this Second Supplemental Amendment is being filed to effect those changes. Based on the amendments set forth above, the entire application is believed to be in condition for allowance, and an indication to that effect is respectfully requested.
